State of claim

On July 25, 2008 it was dinner time at the Winnebago County Justice Center. New Facility open 5-30-07 Kevin the Kitchen Supervisor who works for Aramark Food services, Kevin talked with two (2) cooks about the meal that was being cooked. One of the cooks told Kevin the Supervisor, that the food smell spoil. The other cook said the same thing as well. Kevin said I do not care. I want the food trays to be on time. Serve the food any way. The food was sent to the PODS to be served to all the inmates. The tray arrived at our POD 3A at 4:00. The first inmate to be served was Edward Bryant m#51888, Bryant said to our POD Officer Strang there's something wrong with this food. It smell bad and taste bad. Officer Strang said so what I'm suppose to do about it. Bryant I am serious officer Strang we fill you should call Sgt. Kenway and tell him to come and check this problem out. Let him know Officer Strang. Officer Strang said I am not going to call him. Because he is not got to eat the food for you. The whole room smell

really bad. It smell spoil, Correctional
Officer Stang said to Bryant and every one else.
I do not care about the bad food. He said to
us, eat it or throw it away. Edward Bryant
took a couple bits more, he said this food
taste sour and spoil. The other Inmates ate some
of their food too. Mr. Odell ate the complete tray.
He started to eat another tray of food. The phone
ring, it was Sgt. Kennay calling to tell officer
Stang. Telling him not to let any one eat the
food. For some Inmates it was too late. POD 3A
and POD 3G some of them ate some of their
food as well. The 4th floor was feed first, He was
not able to stop them from eating their Trays
of food. Sgt. Kennay went to the kitchen and talk
to Kevin the aramark kitchen supervisor. He ask
Kevin why did you serve spoil food to the Inmates
of the Winnebago County Jail. The Sgt.
fired Kevin the aramark kitchen supervisor.
Fired also, one of the trustee cook, we live in a

Statement of Claim

~~facility~~ and they still can not get things right. We ask the Court to please help us make things right and better. Kevin (aramark) knowing the food smell and taste spoil and him being a Certified cook, he knows better. And the two (2) Trustee Cooks telling him they smell and taste something sour and spoil. Kevin said to the two (2) cooks, serve the food any way. Just do it so the food will not be late. Some time aramark kepts some left over, (foods from yesterday dinner + lunch) and mix it with fresh food. But this time (which happen before) the food was too old, causing the food to be spoil and sour. Kevin Committed deliberate Indifference. Aramark put the Inmates Health at serious risk and did state a Constitutional claim, deliberate Indifference. I ask the court not let Kevin (aramark) have no immunity. I ask Honorable Frederick J. Kapala Let this case proceed further.

Policy (a method or course of action followed by a Government, an individual, etc. Sliding the food trays six (6) years across the Winnebago County Jail Gray painted floor, Three (3) times a day seven (7) day a week, and every year. Be came a Policy of "deliberate Indifference" administrative. A policy that put all Inmates Health at serious risk. Violating our Constitutional right every day at the County Jail. I know, I ate out of those trays every day. Looking at paint and Bacteria at every meal. If one would say to the correctional officer, this tray is dirty and paint on it. They would say don't worry about it, I will let the kitchen know. Next day trays still dirty and painted. The dishwasher was not working adequately. If it did worked right it would not be able to wash the paint off trays. The paint was on the tray really bad and hard.

State of Claim

On July 1, 2008 we witness Dirty Winn, County food trays being sent back to the kitchen. It was in the morning, at breakfast food was being served. The 3A POD Trustee went into the hall way to bring food trays in side the POD. He discover some trays was not clean.

Some trays had yesterdays food still on them.

Every one (TO Deck) refuse to eat out of the Dirty food trays. So the Correctional Officer

Call Kevin who Supervise the kitchen for

Aramark Foods. The Correctional Officer

Sgt. Ken May, they came and took the Dirty trays back to the kitchen, and replace them

with some clean ones. Some of the new trays

has holes in them, allowing bacteria water to run down into the food below. This may not be a

deliberate Indifference, but shows just how much Kevin is doing wrong in the kitchen.

These event should not, and should not

continued to happen with the help of the

Court and Honorable Frederick J. Kapala.
